Things provided – flies and light tackle like tippetts and weights.

We do have a small supply of fly rods/reels and chest waders – if you do not have your own. Chest waders are based on shoe size not clothing size, you may want to see if you can borrow a pair that you fit into comfortably if you do not own. You can check with us for sizes and we will see if we can accommodate. **Questions? Call 906-228-6561 – Ask for Sharon.**

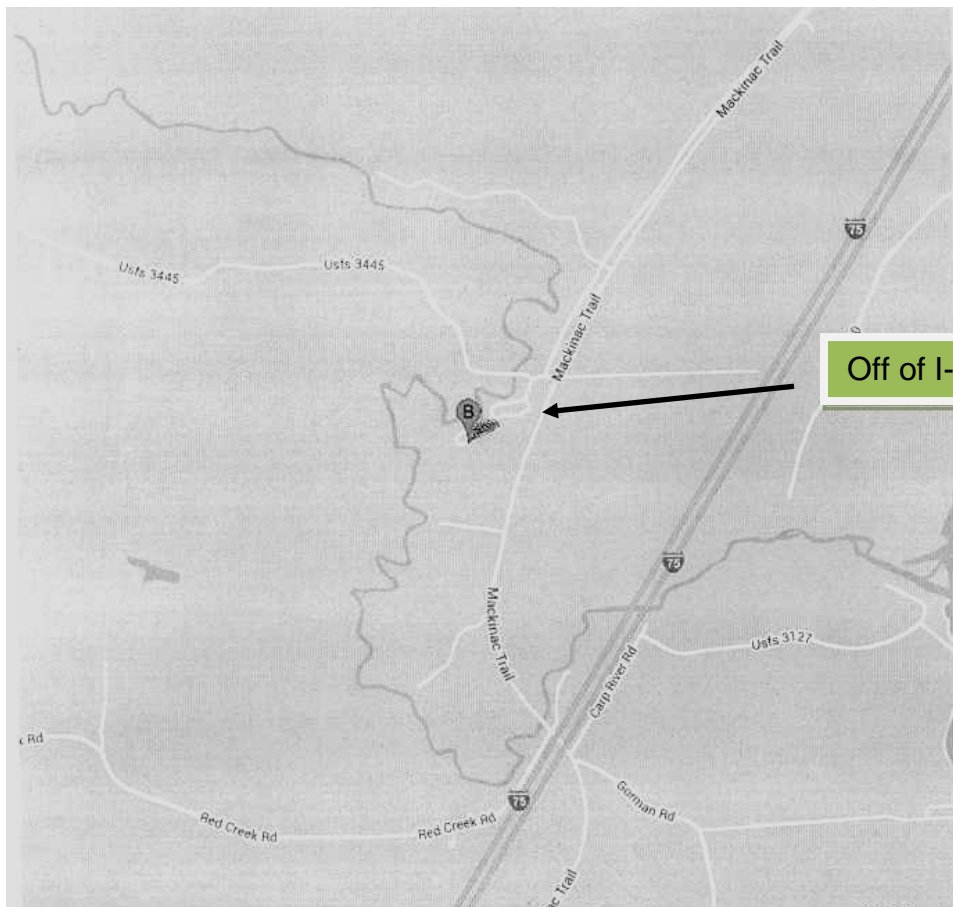

In general students should bring - Rod/reel- 5 wt to 7 wt are most appropriate; Waders with either felt bottom or studded boots as the river can be quite slippery; Tippet- 6lb-8lb is ideal; Tying equipment- if they have it - other items you may want to bring – hat, bug spray, light colored clothing, nail clippers, Coffee/travel mug.

You will need to purchase an all species fishing license (\$28) or a 24 hour license for \$7 – if you do not already have one. Purchase before arrival as I'm sure there is no place near the campground to purchase.

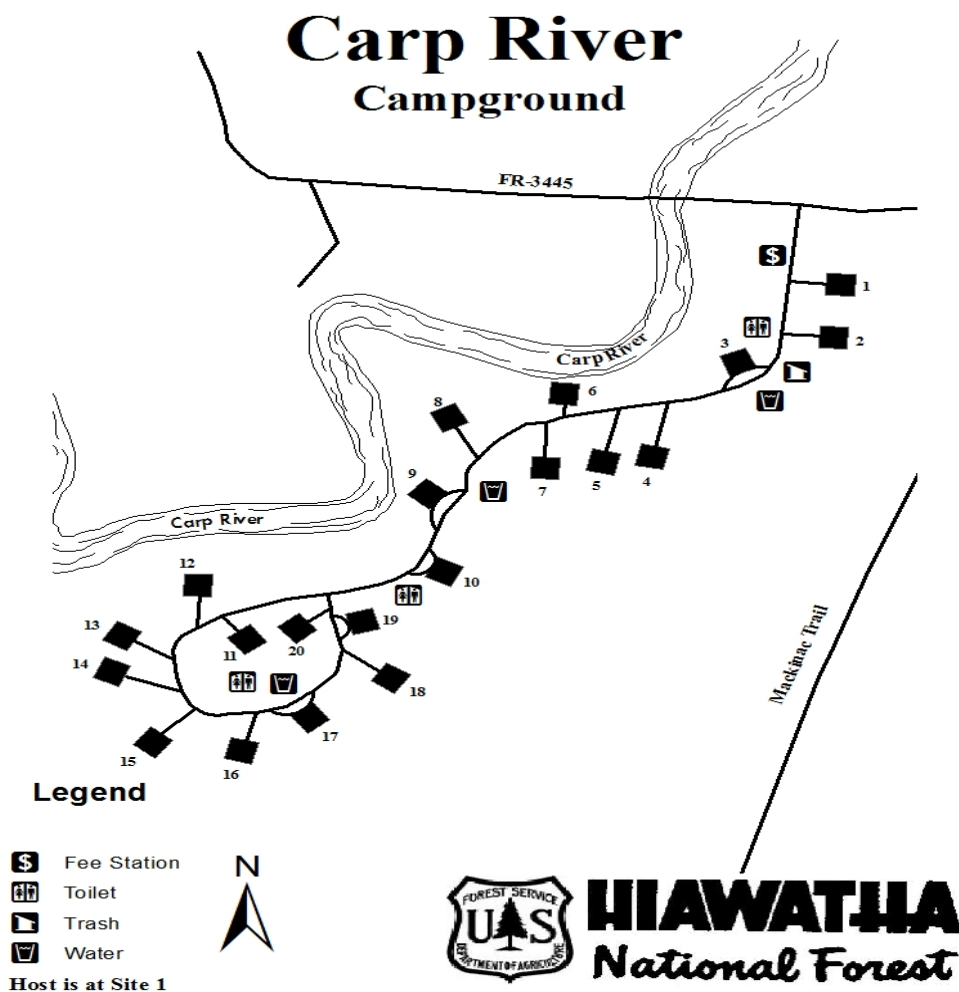

There are hotels south of the area in St. Ignace or you may choose to camp on site at the campground (see map & information for the campground below). All reservations are on your own.

The Campground isn't too far off of I-75 about 14 miles north of St. Ignace

Off of I-75 is Mackinac Trail.

This campground is in a quiet, rustic setting adjacent to the Carp Wild and Scenic River and is a great place to enjoy camping, fishing, hiking, canoeing, kayaking, or to just "get away from it all". Fish species in the campground area of the river include brook, brown and rainbow trout.

Open May 6 – September 30

FEES – Site Fee \$16 – Reservations are made on the National Recreation System – To Check availability of the campsites or to make a reservation call 877-444-6777 or go to www.recreation.gov
